Percent satisfied with school-home relations	95.5%	95.9%	82.1%

*Only students at the highest elementary school grade level at this school and their parents were included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Gloverville Elementary School is best described by its vision: "Loving and learning together with passion, patience, persistence, and partnerships." During the 2012-2013 school term, our School Improvement Council and Leadership Team worked together to develop this statement that best illustrates the heart of our school. We are most proud that while providing an excellent academic education we are also able to know each and every student on a personal level, enabling us to fully understand each child's strengths and weaknesses.

During 2012-2013, Gloverville Elementary served 329 students which included Pre-kindergarten through 5th grade. Our school is implementing Common Core State Standards which requires a high level of rigor, hands-on experiences, and active engagement from students. Classroom curriculum is becoming more and more focused on research, real life problem solving, and collaboration, so that students are more prepared for college and the workplace. In our endeavor to implement Common Core State Standards we also focused on student writing school-wide. Student writing was assessed, discussed, displayed, and rewarded monthly throughout the year. To ensure that all students' needs are met we have a School Intervention Team. Our School Intervention Team analyzes student achievement, develops instructional goals, determines staff development needs, and evaluates program effectiveness. In order to address the diverse needs of students we offer: before school Compass lab, after school math tutorial, a certified tutor during school hours, Shooting Star Book Club, Reading Recovery, Spanish classes, Science Lab, computer assisted instruction, and GT classes. Student success is celebrated for reading, MAP gains, citizenship, academics, and writing.

Along with an open door policy, Gloverville has a very active PTO and welcomes family involvement. We provide numerous opportunities for parents to participate in school activities such as: Open House, American Education Week "Come to Lunch" day, Fall Bazaar, Christmas Family Night, Awards Days, Family Fun Day, Doughnuts with Dad, and Muffins for Mom. To encourage more community involvement Gloverville partnered with Aiken County Sheriff's Department by having deputies read to our classes in the Books and Badges initiative. We also hosted our first Real Men Read event which invited community leaders and family members to read to our students. Other ways we supported our community include: can recycling for Valley Empty Stocking Fund, canned food drive for VOICE, fund raising for Relay for Life and United Way, creation of Easter baskets for the elderly through the United Way Baskets for Bunnies program.

Through all these programs and activities we are achieving PASS scores that meet and exceed district and state averages. This year Gloverville Elementary was recognized as a Title I Reward School with an overall ESEA grade of an A with a score of 92. We also continue to meet required achievement goals enabling us to make Adequate Yearly Progress. In the face of current challenges we are pleased with the progress being made and are looking forward to an even brighter future. We are honored to be able to fully prepare our students to become lifelong learners.

Michelle Padgett, Principal
Shona Syms, School Improvement Council Chairperson
